

Study Abroad Budgeting Worksheet

There are three primary avenues for taking a semester-long study abroad opportunity. A Leave of Absence pauses your enrollment and your financial aid package, allowing you to travel independently to a program of your choosing. Please speak with the Global Education Office for more information. If you would like to remain enrolled at Covenant College, our institution will handle your program payments and ensure your transfer of credits. Some majors require that students study abroad. Consult the chart below:
