

Interdisciplinary Studies major

Four Year Sample Plan for students beginning at Covenant during the 2025-2026 academic year

This sample plan contains all courses required to complete the bachelor of arts degree with a major in Interdisciplinary Studies (IDS). IDS students choose one primary concentration and two additional concentrations. Each student's individual plan needs to be customized depending on the concentrations chosen. Students: work closely with your academic advisor to personalize your plan.

This plan is intended to be a helpful tool. It is not intended to provide a one-size-fits-all path that works for all possible combinations of concentrations that a student could choose. This is why it is very important to work with an academic advisor to make sure that all required classes are taken.

See the Interdisciplinary Studies section of the *Undergraduate Catalog* for each concentration's course list.
