

Shadowlands Shuttle, Fall 2024

Phone # (423) 486-8902

The Shadowlands Shuttle is a service provided by Covenant College students for Covenant College students. Under ideal conditions, the shuttle runs each night of the week beginning at 7p and ending at approximately 11:45p (or longer on Sunday evenings).

Please call (423) 486-8902 for a shuttle ride from the Shadowlands Parking area (this will include the student apartments and Scotland Yard) to the main campus.

Please be aware that each of our student drivers may suspend the shuttle service during periods of inclement weather or otherwise unsafe driving conditions.

Both our campus security vehicles are clearly marked and have a green light bar. For the protection of our passengers and our drivers, a camera mounted within the Jeep will record, both audio and visual, all students entering our vehicle.

The shuttle drivers will be happy to collect passengers walking along Jupiter Road. The Shuttle will NEVER stop on Scenic Highway.

Please call the above number for shuttle rides. For other assistance after hours, all students are encouraged to call our 24/7 number at (423) 593 1403.
